2019 is the Year of the Pig according to Chinese zodiac. This is a Year of Earth Pig, starting from Feb. 5, 2019 ([Chinese New Year](#)) and lasting to Jan. 24, 2020.

Pig is the twelfth in the 12-year cycle of Chinese zodiac sign. The Years of the Pig include 1923, 1935, 1947, 1959, 1971, 1983, 1995, 2007, 2019, 2031, 2043...

Pig is not thought to be a smart animal in China. It likes sleeping and eating and becomes fat. Thus it usually features laziness and clumsiness. On the positive side, it behaves itself, has no plan to harm others, and can bring affluence to people. Consequently, it has been regarded as wealth.

Earthly Branch of Birth Year: Hai  
Wu Xing (The Five Elements): Shui (Water)  
Yin Yang: Yin
